

WORKING RESTRICTIONS DURING MEMORIAL DAY,
JULY FOURTH, AND LABOR DAY WEEKENDS

The Standard Specifications are revised as follows:

SECTION 108, AFTER LINE 204, INSERT AS FOLLOWS:

This Special Provision concerns Summer Holiday Weekends. Contracts that already have language in the Contract Proposal referring to this subject will be governed by that language.

For all other Contracts, unless prior approval is received from the District Construction Engineer, Contractors will not be permitted to work as follows:

Memorial Day Weekend: No work from Noon Friday before Memorial Day, to Sunrise Tuesday after Memorial Day.

July 4th Weekend:

If July 4th is: Sunday – No work from Noon Friday, July 2nd, to Sunrise Tuesday, July 6th.

Monday – No work from Noon Friday, July 1st, to Sunrise Tuesday, July 5th.

Tuesday – No work from Noon Friday, June 30th, to Sunrise Wednesday, July 5th.

Wednesday – No work from Sunset Tuesday, July 3rd, to Sunrise Thursday, July 5th.

Thursday – No work from Noon Wednesday, July 3rd, to Sunrise Monday, July 8th.

Friday – No work from Noon Thursday, July 3rd, to Sunrise Monday, July 7th.

Saturday – No work from Noon Thursday, July 2nd, to Sunrise Monday, July 6th.

Labor Day Weekend: No work from Noon Friday, before Labor Day, to Sunrise Tuesday, after Labor Day.

This includes all traffic coming from the Suppliers.
